

# COLLISION + CONFLICT

## how to guide

**Collision + Conflict is a geolocated sound walk through the Northumbrian landscape available from Friday 26 March – October 2021.**

Using ECHOES: an interactive GPS-triggered sound app, the collision and conflict of the landscape will unfold through music, sound, storytelling and spoken word. You will follow our plotted sound walk, triggering artistic responses connected to specific locations on the route; these sound responses make up an immersive geolocative experience that you can enjoy through your headphones.

Collision + Conflict is produced by Green Croft Arts, a not-for-profit organisation that enables rural communities to access and enjoy arts, cultural and wellbeing activities. The project is made possible thanks to our funding partners; Arts Council England, The Sill and Northumberland National Park.

## WHAT TO EXPECT FROM COLLISION + CONFLICT:

---

Collision & Conflict is a geolocated sound walk through the Northumbrian landscape along Hadrian's Wall.

Using ECHOES: an interactive GPS-triggered sound app, the collision and conflict of the landscape unfolds through music, sound, storytelling and spoken word. You will follow a plotted sound walk, triggering artistic responses connected to specific locations on the route; these sound responses make up an immersive geolocative experience that you can enjoy through your headphones.

In December 2020, Green Croft arts commissioned 14 artists who had strong links to Northumberland, Cumbria and nationalities that reflected the past diversity of the communities that built, manned and lived along Hadrian's Wall. The 9 commissions are creative responses in song, music, sound, story, spoken word and prose which explore the historical, archeological and environmental conflicts and those that affect contemporary rural communities today. As people walk through the landscape these artistic responses unfold as part of an immersive geolocative experience linking the artistic responses to a specific location along the walk.

The 2-2.5hr circular walk will start at Walltown Country Park; you will then take in the preserved section of the wall at Turret 45A with magnificent views westward, travelling downhill to Thirlwall Castle and across the Tipalt Burn, then you will walk along the pronounced ditch towards Green Croft On The Wall before returning to Greenhead and up to Carvoran Roman Fort, The Roman Army Museum and back to Walltown Country Park.

## KEEPING SAFE:

---

- Please be aware that while you are listening to this audio theatre experience, you may not be able to hear other sounds and hazards in your environment, so please make sure you take extra care to stay safe when moving around.
- Stay alert to potential hazards such as steps, obstructions, roads, traffic, people and animals.
- Wear appropriate clothing and boots for outdoor weather and walking in the English countryside.
- The 2.5hr circular route is designed to be taken at your own pace, in daylight and so you can stop along the way to enjoy the rural landscape and features. Please take your time and don't over stretch yourself.
- Please adhere to current social distancing guidelines.

## THE COUNTRYSIDE CODE:

---

**When visiting the area to experience Collision + Conflict, please follow the countryside code.**

- Respect other people.
- Consider the local community and other people enjoying the outdoors.
- Park carefully so access to gateways and driveways is clear.
- Leave gates and property as you find them.
- Follow paths but give way to others where it's narrow.
- Protect the natural environment.
- Leave no trace of your visit, take all your litter home.
- Don't have BBQs or fires.
- Keep dogs under effective control.
- Dog poo - bag it and bin it.
- Enjoy and respect the outdoors.
- Plan ahead; check what facilities are open, be prepared.
- Follow advice and local signs and obey social distancing measures.
